RE: Amended Report
Statement of Organization

There are two entries in the amended report for the period covering 1/1/2006 through 3/31/2006 responsible for the differences in the sums shown on pages 2-4.

The first is a \$500 return of contribution to a PAC that was mistakenly coded as a line 17 operational expense in the original filing on page 1381 (3/31/06 FMC Corporation PAC refund of contribution for \$500). This entry was moved to line 20 (c) in the amended report, thereby increasing line 20(c) and reducing line 17 by \$500.

The second entry is the addition of an in-kind contribution that we became aware of after the filing. On page 1319 of the amended report is an in-kind contribution for \$111.30 from the Joint Action Committee for Political Affairs and on page 1388 is the matching expense of \$111.30. These two entries force an increase in line 6(a) by \$111.30 and line 7(a) is increased by \$111.30 while reduced by the \$500 for the re-categorization of the PAC refund. Line 11(c) was increased by the in-kind \$111.30 as were lines 11(c) and 16.

There was no change in cash-on-hand.

Also enclosed is an amended Statement of Organization.
